EQUIPOISE SERIES TOPLOADER BALANCE

The Equipoise Series balance is ideal for classrooms, laboratories and industrial applications. These seven-button balances allow quick access to 13 different units of measure, percentage, counting and accumulating.

- LCD display
- Quick response
- Accumulation, counting and percentage modes
- 13 different units of measure
- Detachable enclosed weighing chamber (in capacities =1 kg)
- Battery operation for up to 40 hours of continuous use (without backlight)
- RS-232 interface for connecting to printer or PC

VERSA PORTION® COMPACT BENCH SCALE

The Versa-portion is constructed in stainless steel and is perfect for the haphazard messes of busy food service areas or the precise needs of hygienic medical settings. With an IP68 rating, splashes and spills are no problem. A removable stainless cover lets you easily wipe down the all-stainless exterior for a clean, sanitary surface.

- IP68 water and dust resistant
- Stainless steel finish
- Removable weigh pan for quick and easy cleaning
- LED display
- AC adapter included
- Legal for Trade
- HACCP compliant
- RS-232 interface for connecting to printer or PC

TS SERIES TOPLOADER WASHDOWN BALANCE

Equipped with the unique Mono-metal Tuning Fork Sensor (MMTS), this balance brings remarkable response time and stability to the laboratory environment.

- Mono-metal tuning fork sensor (MMTS) provides quick response and stability
- Stainless steel, IP65 top housing
- Large, 18 mm LCD with backlight
- Selectable modes
- 13 units of measurement
- Washdown with IP65 rating
- RS-232 interface for connecting to printer or PC

TE SERIES TUNING FORK ENHANCED BALANCE

Legal for Trade,
ideal for cannabis

Experience performance with the enhanced TE Series balance. This Legal for Trade-approved balance creates an effortless user experience complete with a wide variety of functions, glass breeze break and configurable user keys.

- Mono-metal tuning fork sensor (MMTS) provides quick response and stability
- Seven-segment (main)/16-segment (sub) display
- 30-step bar graph display
- AA dry-cell port, (150 hours continuous use with LCD backlight and communication signal ON)
- RS-232 interface for connecting to printer or PC

CALIBRATION WEIGHTS

Medical scale calibration requires certified weights that can be traced to the National Institute of Standards and Technology (NIST). This will ensure your scale is calibrated properly and ready for the requirements of weighing in medical settings. Consumer weights such as barbells or similar items may not provide an accurate weight to calibrate your scale. For example, a 5-pound consumer weight, such as a barbell, may actually weigh between 4.75 and 5.25 pounds. Calibration weights with traceability to NIST have a manufactured and adjusted tolerance of ± 230 milligrams. Using a NIST-traceable calibration weight will ensure your scale is calibrated correctly and presents accurate weighments for proper patient care.

FEATURES

- Cast iron
- Polished stainless steel
- Grip handle
- Type II design
- ASTM Class 6 or 7
- ASTM Class 1

OPTIONS

- Certificate of Calibration
- Stamped serial number

CALIBRATION WEIGHTS - MADE IN THE USA

PART NUMBER	DESCRIPTION
IMPERIAL WEIGHTS	
12828	10 lb ASTM Class 7
12870	20 lb ASTM Class 6
12833	25 lb ASTM Class 6
12878	30 lb ASTM Class 6
12839	50 lb ASTM Class 6
METRIC WEIGHTS	
12786	5 kg ASTM Class 7
12767	10 kg ASTM Class 6
12771	20 kg ASTM Class 6
12775	25 kg ASTM Class 6
105414	5 kg OIML Class M1
105415	10 kg OIML Class M1
105416	20 kg OIML Class M1
ESSENTIAL WEIGHTS	
186177	Set, Essential Weight 2g 200mg, 1mg ASTM Class 0

ADDITIONAL RICE LAKE PRODUCTS FOR YOUR FACILITY

PG
96

Rice Lake is dedicated to providing weighing solutions that are useful for every part of your facility, including nutrition services, housekeeping and waste management as well as the pharmacy and lab. Read below for information about equipment that may be used to support facility operations.

BENCH SCALES

For mobility and convenience, bench scales offer ideal features that are adaptable to a wide range of needs in a healthcare facility. Rice Lake can provide a bench scale in almost any capacity or requirement.

POSTAL SCALES

Rice Lake's digital postal scale is designed to streamline mailing services in your facility. It has a tempered glass display and can be battery operated for portability. This scale is ideal for small packages and connects directly to the USPS or Canada Post.

FLOOR SCALES

Available in a vast number of capacities, sizes and mounting profiles, Rice Lake's RoughDeck[®] floor scales are ideal for weighing bulk items such as laundry, facility waste, equipment and shipments.

RETAIL SCALES

Used in food services, Rice Lake specializes in point-of-sale (POS) retail scales for accurate food portioning. These versatile weighing solutions feature portability, ease-of-use and precision for food service staff.

For information on Rice Lake's comprehensive line of weighing solutions and extensive in-stock product inventory, visit www.ricelake.com or call one of our helpful representatives at 800-472-6703.
