

FLOOR-LEVEL

H151-10-7

DIGITAL PHYSICIAN SCALE FLOOR-LEVEL WITH WALL INDICATOR

The Rice Lake Healthweigh® H151-10-7 digital physician scale provides precision weight measurements up to 250 kilograms. The scale's display has a 1.8-meter cable so it can be mounted to a wall or placed on a counter or shelf, ensuring patient weight is accessible. The large, stable scale base is comfortable for patients to use and easy to transport in an optional carrying case.

The H151-10-7 offers straightforward operation and is powered by adapter or rechargeable batteries providing 25 hours of continuous use. Its large, backlit push-button display clearly displays patient weights and an audible beep signals the end of each weighing cycle.

FEATURES

- Large, stable scale base
- Non-slip rubber mat, removable for cleaning
- Push-button LCD display
- Unit of measure kg or lb
- Motiontrap™ movement compensation technology
- Serial and USB data communication ports
- Hold function
- Zero function
- BMI (body mass index) function
