

EYE-LEVEL

H151-11-5

DIGITAL PHYSICIAN SCALE

The Rice Lake Healthweigh® H151-11-5 digital physician scale has an eye-level digital display to provide a clear weight reading. With a height rod integrated into the scale column, healthcare professionals can quickly capture both height and weight information. Built-in wheels make the H151-11-5 easy to transport and the choice between using 6 AA batteries or a 230V 50Hz adapter means this physician scale can be used nearly anywhere in a healthcare facility.

FEATURES

- Large, stable scale base
- Integrated height rod measures from 70 to 208 cm
- Rubber wheels for easy transport
- Non-slip rubber mat, removable for cleaning
- Push-button LCD display
- Unit of measure kg or lb
- Motiontrap™ movement compensation technology
- Serial and USB data communication ports
- Hold function
- Zero function
- BMI (body mass index) function
