H151-11-8

DIGITAL PHYSICIAN SCALE

The Rice Lake Healthweigh® H151-11-8 digital physician scale accurately captures weight for patients up to 250 kilograms. The easy-to-use indicator is connected to the scale platform, making it easy to transport to multiple locations within a healthcare facility.

The H151-11-8 can be powered by a 230V 50 Hz adapter or six AA batteries that provide 25 hours of continuous use. The large platform is comfortable for patients to use and movement compensation technology ensures weights are accurately recorded.
