DUAL-RAMP WHEELCHAIR SCALE WITH SEAT AND HANDRAIL

The Rice Lake Healthweigh® H251-10-4 bariatric scale with handrail and chair seat is designed for weighing patients who need extra support and safety during weighments. Patients can be weighed comfortably and safely while seated with the large, stable folding seat. Advanced movement compensation technology eliminates error caused by involuntary movement of unsteady patients. Two heavy-duty rear wheels make it simple and effortless to move and store.
