For non-automatic weighing instruments used in an Article 1, 2.(a) application, additional metrological marking according to Annex IV of Council directive 2009/23/EC must be attached to the instrument.

Para instrumentos de pesaje no automático usados en una aplicación descrita en el Artículo 1, 2.(a), se debe colocar sobre el instrumento una marcación metrológica adicional de acuerdo con el Anexo IV de la Directriz del Consejo 2009/23/EC.

Pour les instruments de pesage non-automatiques utilisés dans une application selon l'Article 1, 2.(a), un repérage métrologique additionnel conforme à l'Annexe IV de la Directive 2009/23/EC du Conseil doit être présent sur l'instrument.

Für nicht selbsttätige Waagen, die in einer Anwendung gemäss Artikel 1, 2.(a) verwendet werden, muss eine zusätzliche messtechnische Markierung gemäss Anhang IV der Richtlinie 2009/23/EC des europäischen Rats am Instrument befestigt werden.

Per gli strumenti di pesatura non automatici usati nelle applicazioni elencate nell'Articolo 1, 2.(a), è necessario applicare allo strumento delle marcature metrologiche secondo quanto descritto nell'allegato IV della Direttiva del Consiglio 2009/23/EC.
