TERMS AND CONDITIONS:

1. Rice Lake requires that the rental weeks be determined and scheduled prior to shipping the rental equipment. This allows us to make rental commitments for all of our rental inventory. Any rental units that are kept longer than the agreed upon schedule will be assessed a \$100 per week fee unless prior arrangements are made and agreed to by both parties in advance of the extension.
2. The minimum rental period is four weeks.
3. The rental term will start when the rental units ship from Rice Lake, WI.
4. The rental term will end when the carrier shows the equipment has been delivered to Rice Lake.
5. If you have an account in good standing with Rice Lake, your invoice will have the same terms associated with your account. Rental charges will be invoiced in full when the equipment is returned to Rice Lake and its condition is evaluated.
6. If you do not have an open account with Rice Lake, a credit card can be used for this rental and charges will be posed weekly to the card.
7. Lessee is responsible for all duties, freight, taxes and brokerage fees.
8. Lessee is responsible to have insurance on all rented units and should list Rice Lake Weighing Systems as title holder; we should be named as "additional insured."
