digital chair scale

RICE LAKE DIGITAL CHAIR SCALE 550-10 The streamlined digital chair scale is designed for weighing those who find it difficult to stand. The smooth durable molded plastic seat is easy to clean, comfortable, and safe for weights up to 660 lb. Swing-up arms enable easy access from either side. Attached behind the backrest, the indicator is simple to use and easy to read. Movement-compensation technology eliminates inaccuracies caused by movement during weighing process. The sturdy enameled tubular steel frame features a flip-up footrest, and four heavy-duty casters for easy, quiet maneuvering.

Capacity	660 lb (300 kg)
Graduations	0.2 lb (0.1 kg)

Arm handles flip-up for easy access and exit.
