DIGITAL PHYSICIAN SCALES

150-10 SERIES

Rice Lake Weighing Systems' Healthweigh® digital physician scales are designed for both modern appearance and straightforward function. With clean lines and forward-thinking features, 150-10 series physician scales are ideal for medical and fitness environments of any size.

The series includes models with weight displays at eye level, waist level and floor level, with USB and Bluetooth® connection options so medical staff can easily and securely transfer weight data to electronic medical records (EMR).

The large pushbutton display lights up, clearly showing weights, and an audible beep sounds at the end of each weigh cycle. With a capacity of 550 pounds (250 kilograms) and exclusive Motiontrap™ movement compensation technology, Rice Lake's Healthweigh scales provide reliable, accurate weights.

Capacity	550 lb (250 kg)
Graduations	0.2 lb (0.1 kg)

SALES AND TECHNICAL ASSISTANCE
